# City Council Meeting

## May 14, 2024

### Item No. 7

### Staff Report

TO: Michael Mays, Acting City Manager

FROM: Nakeisha Lyon, City Planner

DATE: May 14, 2024

#### SUBJECT:

Introduction of Bill No. 2055, an ordinance of the City of Boulder City, Nevada to amend the Zoning Map to change the zoning for approximately 293.89 acres in the Eldorado Valley near the western City limits (portions of 189-26-201-003, 189-26-101-003, 189-26-101-004, 189-35-000-004, and 189-27-000-002) from GO, Government Open Space & RD, Research Development, to ER, Energy Resource (AM-24-375)

#### Business Impact Statement:

As per NRS 237.060.2(c), the requirements for a business impact statement do not apply to master plan and zoning matters (NRS Chapter 278).

#### Action Requested:

That a Council member introduce the bill.

#### Overview:

- The City is seeking to amend the Master Plan and Zoning Map for City land to designate the appropriate future land use and zoning for a future solar energy.
- On April 17, 2024, the Planning Commission recommended approval.

#### Background Information:

Applicant: City of Boulder City

Property Owner: City of Boulder City

Assessor's Parcel No(s): Portions of 189-26-201-003, 189-26-101-003, 189-26-101-004,

189-35-000-004, and 189-27-000-002

Overlay Districts: The subject properties are not within any overlay districts.

<b>Master Plan Future Land Use Map Designation</b>	Current:	MAN, Manufacturing OL, Open Lands
	Proposed:	MAN-E, Manufacturing Energy
<b>Zoning Map Districts</b>	Current:	GO, Government Open Space RD, Research Development
	Proposed:	ER, Energy Resource

Description of Request: The City of Boulder City Finance Department has submitted applications requesting to amend these designations to allow for future solar development via battery energy storage systems (BESS). The subject properties are located within the Eldorado Valley Transfer Area (EVTA), annexed in 1995. These areas are not within the Boulder City Conservation Easement.

As the use of “Solar” is not permitted in the current zoning designations applicable to the subject properties, the City of Boulder City is requesting to change these designations to support those uses in the future.

**Zoning Map Amendment:**

Chapter 33 of the Boulder City Zoning Ordinance, Title 11 Requirements provides the applicable standards and procedures for zoning map and text amendments.

**Pursuant to BC Code Section 11-33-9, in order to amend Title 11, the following findings must be made by the City Council:**

**A. That the proposed amendment is in general conformance with the adopted Comprehensive Plan for the City.**

As a component of this application, a Master Plan Future Land Use Map Amendment has been submitted as denoted above and required to address general conformance with the adopted Comprehensive Plan.

**B. That the proposed amendment promotes the health, safety, morals or the general welfare of the City.**

In determining the above stated, the deliberating body shall, but is not limited to, considering the following factors:

**Present land use:** The subject properties are currently vacant.

**Present zoning in adjacent areas:** The subject properties is surrounded by and located within city limits with GO, Government Open Space to the west, portions of the south, and

east. Portions of the adjacent area to the south are zoned ER, Energy Resource. There are pockets of land outside of city limits within this area as denoted on the Exhibit Map (Attachment 2) which are in unincorporated Clark County with a zoning of either RS80, Residential Single Family 80 or IP, Industrial Park with a planned land use of Business Employment (BE).

**Impact on utilities:** No impacts are anticipated. The subject properties are within the Nevada (NV) Energy service territory for electric service. The City of Boulder City will need to ensure adequate water supply for fire suppression either through above ground water tanks or extending water utilities to this area.

**Noise:** No impacts are anticipated.

**Drainage:** Please see the required drainage report from the City Engineer (Attachment 3).

**Character of existing neighborhoods:** No impact on the existing neighborhood character. The proposed zoning is consistent with the surrounding area.

Planning Commission Action: On April 17, 2024, the Planning Commission recommended approval of the request, with the 5 members present voting 4-1 in favor. Minutes will be provided with the subsequent staff report for the public hearing.

Financial:

No fiscal impact on the city.

Boulder City Strategic Plan Goal:

Goal C: Manage Growth and Development

Department Recommendation: The Community Development Department staff respectfully requests that a City Council member introduce Bill No. 2055 and waive the reading except for title regarding the proposed Zoning Map amendment.
