Mr. Wendi Brown  
Executive Recruiters – Wb Consulting & Associates

Dear Ms. Brown,

I am excited to submit my application for the City Manager position with Boulder City, Nevada. With over two decades of experience in municipal leadership, finance, and strategic planning, I am eager to bring my skills to a city known for its historical significance, commitment to sustainability, and exceptional quality of life. Boulder City's unique blend of small-town charm and forward-thinking initiatives resonates deeply with me, and I am confident that my leadership style and vision align with the city's goals for growth and development.

In my current role as Deputy City Manager for the City of Carson, I have overseen a budget of \$480 million, led key initiatives to improve financial stability, and fostered strong relationships with elected officials, staff, and community stakeholders. A key achievement has been the successful passage of Measure K, which generated \$12 million in new revenue. I have a proven track record of managing complex municipal operations, driving economic development, and ensuring efficient delivery of services while maintaining fiscal responsibility.

I am particularly drawn to Boulder City's emphasis on sustainable practices, including its commitment to renewable energy and water conservation. I have extensive experience managing capital improvement projects, fostering cross-departmental collaboration, and leading labor negotiations, which would allow me to contribute effectively to the City's ongoing projects, including the implementation of the Strategic Plan 2025 and key infrastructure projects.

I believe my hands-on leadership approach, commitment to transparency, and ability to build consensus would make me a valuable addition to Boulder City's team. I am excited about the opportunity to contribute to the City's future success and look forward to discussing how my experience aligns with your goals.

Thank you for considering my application. Please feel free to contact me at [REDACTED] or via email at [REDACTED] to schedule a conversation.

Sincerely,

Tarik Rahmani - Deputy City Manager, City of Carson
