TO: Utility Advisory Committee

FROM: Joseph Stubitz, Utilities Director

DATE: December 7, 2022

SUBJECT: Update on ongoing capital improvement projects
provided by staff

Action Requested:

That the Utility Advisory Committee receive an update regarding the city's ongoing Capital Improvement Projects.

Overview:

Update on the ongoing utilities capital improvement projects.

Background Information:

The Utilities Services and Public Works Department are responsible for the planning, design, and construction management for the Water, Sewer, Electric, and Landfill capital improvement projects. At the request of the Utility Advisory Committee, staff has developed a dashboard that provides high level information on that status of the ongoing CIP projects.

Other:

This agenda item is in alignment with Goal 1 (annually review 5-year CIP) of the Utility Advisory Committee Goals.

Department Recommendation: The Utilities Department recommends that the Utility Advisory Committee receive an update regarding the city's ongoing Capital Improvement Projects.
