| 8 | AB7 | Revises provisions relating to electronic health records. (BDR 40-381) | Committee on Health and Human Services | Health and Human Services | | | | Medium Priority, Oppose | The Boulder City Fire Department currently keeps a unique, HIPPA approved record for each patient that they treat. The information is stored in a record management system and can be printed for the patient upon a formal request. This bill would require BCFD to make the records available electronically. This would require purchase a software program, such as Healow, to allow for a patient portal, and possibly a part-time staff person. We may want to seek a carve out for public EMS. | |

| 19 | AB30 | Revises provisions relating to the employment of peace officers. (BDR 23-414) | Committee on Government Affairs | Judiciary | | | | Medium Priority, Oppose | Would permit non-US Citizens who can legally work in the US to be hired as law enforcement officers. As written this bill is too broad. The US military requires non-citizens seeking enlistment to first be permanent legal residents. Then must also have permission to work in the US. Both must be met. Then only enlisted positions are available, commissioned officers must be US citizens. Non-citizens are restricted in getting a security clearance. We would have the same issue and need to address this as it could cause issue with information and the interagency workings of some task forces, etc. | |

| 48 | AB135 | Revises provisions relating to homelessness. (BDR 40-324) | Committee on Health and Human Services | Health and Human Services | Assembly Committee on Health and Human Services 2/8/2023 1:30 PM | Discussed as BDR | | Low Priority, Neutral | This bill loosens requirements to prove identity to obtain copies of a birth certificate and drivers license. This bill requires each county whose population is 100,000 or more (currently Clark and Washoe Counties), during the 2023-2024 legislative interim, to: (1) develop a strategic plan to address homelessness in the county and the cities or towns within the county; (2) submit the plan to the Joint Interim Standing Committee on Health and Human Services; and (3) present the contents of the plan at a meeting of the Committee. Currently this does not directly impact the City. | |

| 53 | AB144 | Revises provisions governing the sale of certain lighting products. (BDR 58-621) | La Rue Hatch, Summers-Armstrong, Anderson, Watts, González, Considine and Orentlicher | Growth and Infrastructure | Assembly Committee on Growth and Infrastructure 2/23/2023 1:30 PM | Heard | | Medium Priority, Oppose | Prohibits the sale or distribution of fluorescent lamps with screw or bayonet base type on and after January 1, 2024 and prohibits sale or distribution of fluorescent lamps with pin base or linear structure on and after January 1, 2025. Action – Oppose (depends on existing inventory of City lighting fixtures). With one electrician on City staff the COBC could potentially have to contract out work to prepare for not being able to purchase fluorescent lamps. If this bill is passed this would involve taking a complete inventory across all City buildings and preparing for lighting fixtures of a non-fluorescent lamp design (LED). This would involve staff time and preparation for no fluorescent lamps. It looks like violations are limited to the suppliers but it is unknown if fluorescent lamps would still be able to legally be obtained from other states and countries. | |

| 74 | AB219 | Makes various changes to the Open Meeting Law. (BDR 19-781) | Considine | Government Affairs | | | | Medium Priority, Neutral | Adds a section to current Open Meeting Law dedicated to public comment periods – new section largely repeats/centralizes public comment guidance from other parts of the statute. However, in addition to current public comment period requirements, statute adds requirements for additional public comment periods when the meeting is continued to another day by the public body, and restricts voting on agenda items to only those items on the original agenda. Adds requirements for meetings held remotely to provide written instructions on public access to the remote meeting (“including, without limitation, a telephone number and any necessary identification number of the meeting or other access code”), which must also be read verbatim at the outset of each public comment period. Adds requirement for at least 25% of a public body’s annual meetings to be conducted in a physical location where the public can attend and participate. | |

(BDR 1-432) | Committee on Judiciary | Judiciary | Senate Committee on Judiciary 2/23/2023 1:00 PM | Heard, No Action | | Medium Priority, Support | Omnibus bill related to courts. This bill changes wording on NRS 1.130. The changes will make it so courts cannot be open for judicial business on Sundays or holidays except for certain judicial actions. NRS 4.060 – This will redefine records searches to now include electronic searches in case management systems. It will distinguish physical and electronic. It also would add a fee for redacting per page requiring a redaction. This is beneficial to the City because it would allow the Court to charge for redaction of records which is time consuming. | |

| 95 | SB64 | Revises provisions relating to school districts. (BDR 34-403) | Committee on Education | Education | | | | | Medium Priority, Oppose | In relevant part, adds a requirement to existing board of trustees membership that 1) the board of county commissioners appoint a trustee and 2) the governing body of any incorporated city with a population of 60K+ to appoint a trustee to the appropriate county school district (currently only applicable to Las Vegas, Henderson, North Las Vegas, Sparks, and Reno). Remaining sections detail trustee qualifications and terms and establish a regular auditing requirement. Analysis: Potential for greater emphasis on students in higher population cities/schools to detriment of students in low population cities/schools. Cities w/ higher population given greater weight in board of trustees decision making by default under new rules. |

(BDR 48-595) | Goicoechea, Titus, Buck, Hansen, Stone and Krasner | Natural Resources | Senate Committee on Natural Resources 3/2/2023 3:30 PM | Heard, No Action | | Low Priority, Neutral | Changes petition for the approval of a groundwater management plan to include signatures of holders of permits or certificates to water in the basin and includes dates of priority that are older than the date on which appropriations for withdrawals of groundwater in the basin were equal to perennial yield of the basin. The ACT also creates an exception for restriction of withdrawals to allow a domestic well to continue to withdraw 0.5 acre-feet of water per year (162,925.47 gallons). The ACT also requires the State Engineer to review any groundwater management plan approved before October 1, 2023 beginning on October 1, 2033 to determine if there has been significant progress towards stabilizing the drawdown of groundwater in the basin and, if not, to restrict withdrawals in accordance with he requirements of this bill. This ACT could impact groundwater appropriations in the Eldorado or Las Vegas Valleys depending on if either is identified as a critical management area. I recommend we monitor SNWA's position and then consider how that | |

| 131 | SB185 | Establishes provisions relating to businesses. (BDR 18-35) | Neal | Government Affairs | | | | Medium Priority, Support | This is very similar to a program the Clark County Regional Business Development Advisory Council (RBDAC) has been doing for years. County Purchasing managers report small business, minority business stats and goals to the RBDAC on a semi-annual basis. Also semi-annual small business fairs are conducted by the County Purchasing Managers to promote and inform small businesses on procurement issues. There has been discussion for years about the State adopting a similar program Statewide....SB 185 is that effort. The bottom line is twice a year the City will be reporting metrics to the State now versus Clark County. No additional impact on the BC Purchasing Office. | |
