

# **Historic Preservation Commission Meeting December 7, 2022 Item No. 9 Staff Report**

TO: Historic Preservation Commission

FROM: Susan Danielewicz, City Planner  
Community Development Department

DATE: November 16, 2022

SUBJECT: For possible action: Discussion on public outreach to  
promote historic preservation matters

In January the HPC postponed this item to June, and in June the HPC postponed this item to September. The January 26, 2022 staff report summarized two proposals by members:

- Member Turner had volunteered to prepare videos about city-owned buildings, for potential posting on the city website.
- Member Graham said she had been working on an article about the Browder Building (550-554 Nevada Way).

At the September 28, 2022 meeting Member Turner indicated he would not move forward with the video project at this time. Member Graham requested that this item come back in November (meeting date rescheduled to December 7).

Per the scope of the Commission's duties per the current City Code, any articles or videos should focus on historic buildings or properties rather than general history.
