City Council Meeting November 12, 2024 Item No. 4 Staff Report

TO: Michael Mays, Acting City Manager
FROM: Gary Poindexter, Public Works Director
DATE: November 12, 2024

SUBJECT:

For possible action: Resolution No. 7873, a resolution of the City Council of Boulder City, Nevada, awarding a bid to Acme Underground Inc., in the amount not to exceed \$302,215.00 for the Water Service Replacements – Waters Edge, B.C. Project No. 25-1226-WD

Business Impact Statement:

This action will not have a significant economic impact on business and will not directly restrict the formation, operation, or expansion of a business.

Action Requested:

That the City Council approve the resolution awarding a bid to Acme Underground Inc., in the amount not to exceed \$302,215.00 for the Water Service Replacements – Waters Edge, B.C. Project No. 25-1226-WD.

Overview:

- October 10, 2024, a Notice Inviting Bids was advertised for the project.
- October 24, 2024, 4 bids were received, opened, and tabulated.
- The Bid Summary has been attached for reference.
- Acme Underground Inc., was the lowest bidder, with a bid of \$302,215.00.
- Funding source for this project is from the Water Utility Fund.

Background Information:

Each year, the Public Works Department replaces aging and failing plastic water service lines in Boulder City with new copper services. Plastic water service lines installed in the past have a short life span, causing water to be wasted and damage to streets from leaks. Copper

service lines have a long and reliable history of use for water service lines. There are 43 service replacements included in the Water Service Replacements – Waters Edge project.

The Notice Inviting Bids for this project was posted to the Nevada Government eMarketplace (NGEM) on October 10, 2024. On October 24, 2024, 4 bids were received, opened, and tabulated. The Bid Summary showing the bidder's information and bid amounts has been included as an attachment to this staff report. Acme Underground Inc., was the lowest bidder, with a bid of \$302,215.00. Once the Notice to Proceed is issued, this will be a 90-calendar day project.

Financial:

Funding Sources	
Copper Services Replacements FY25 (W2006)	\$2,370,455.13
Expenditures	
Water Service Replacements and Related Work to Date (As Of 10/24/2024)	\$1,006,766.66

NRS 332.065 requires government agencies to award Bids to the lowest responsive and responsible vendor and states proposals may be judged on price, conformance to specifications, qualifications, quality and other factors. The Nevada Government E-Marketplace (NGEM) website conducts a "Bid Tabulation" (attached), that automatically calculates and sorts submissions by lowest cost. Using that document, requesting agencies then review submissions from lowest price to highest, using the factors outlined in the NRS, to determine who the responsible vendor is.

Below is a synopsis of the 4 submissions the City received from lowest to highest price:
Note: The price is a summation of all 14 line items we requested prices for.

ACME Underground Inc.	\$302,215.00	Recommended
Mountain Pine Construction	\$312,634.00	Not Recommended
Menichino Construction LLC	\$340,460.00	Not Recommended
CG&B Enterprises Inc.	\$400,000.00	Not Recommended

A Recommendation of Award is effective when the City Council Minutes are published. Please see the attached NGEM Bid Tabulation for detailed prices. Please let me know if you have any questions or concerns.
